

Dani Meseguer

Frontend Developer with a designer's eye

I build responsive interfaces with HTML, CSS and JavaScript. Hybrid profile: frontend, visual judgment, hierarchy, interaction and 11+ years of real graphic production.

IMMEDIATE AVAILABILITY

FRONTEND PROJECTS

Hitten - Official website

REAL CLIENT

Official website for an international band: main site, EPK, visual identity, music embeds and structured data.

- Responsive layout, separate EPK, external embeds and structured data.

HTML5 CSS3 JavaScript Branding JSON-LD

<https://www.officialhitten.com>

Riffs on Time

CASE STUDY

Tool for creating exact-duration setlists, searching Spotify and exporting to Word/PDF.

- API consumption, duration calculation, state handling and file export.

HTML5 CSS3 JavaScript Spotify API

PROFESSIONAL EXPERIENCE

Graphic design, visual direction and graphic production · 2015 - present

Freelance work for independent music: print-ready LPs/CDs, posters, audiovisual campaigns and merchandise. Graphic adaptation, final artwork, readability and visual consistency.

EDUCATION

IFCD0210 - Web Application Development

2026

Official Level 3 Professional Certificate: HTML5, CSS3, JavaScript, PHP, databases, Git and WordPress.

Master in WordPress, UX/UI and Digital Marketing

2023

CEI Escuela de Diseño: Advanced WordPress, Figma, SEO, SEM and Meta Ads.

Degree in Art History

2012 - 2017

Visual culture, composition, styles, image analysis and artistic context.

11+ YEARS OF VISUAL
DIRECTION AND
GRAPHIC
PRODUCTION
